

Proposed Recipient: City of Moultrie GA

Address of Recipient: P.O. Box 850, Moultrie, GA 31766

Amount of Request: \$196,360

Explanation of Request

Purpose: This type of judgmental simulator will present alternatives to the officer using real world situations and realistic scenarios which require officers to handle unexpected situations.

Why it is a good use of Taxpayer funds: The COPS program has a specific authorization to assist local police departments and that is what this project will do. This is designed to be a regional simulator that will service several departments in other counties and cities.
